

## For High School 2023

High School students have an opportunity to earn a **FREE DRESS WEEK** just by meeting the High School Summer Reading Challenge! Students who turn in a **validated reading log** for their books (*read between the last day of the old school year and the first day of the new school year*) will receive a **free dress week** the third week of the school year. **\*EACH GRADE LEVEL HAS ONE REQUIRED BOOK TO READ** (listed under the reading log). Just reading the required book will not earn the free dress week, but each required book can count as one additional category. Suggested categories are listed with the titles. There will be a follow-up assignment over the required reading once school begins. **BONUS: If you journal your required reading, you will receive a bonus or replacement quiz grade.**

### HOW TO QUALIFY:

Students may select titles from **any** category below but are expected to read **grade-level appropriate** books. Not sure what to read for a specific category? Email [Mrs. Davila](#) over the summer for suggestions!
