

# 9th-12th Grade Summer Academics Required Work for 2023-2024

## Math

- The following classes will receive summer work:
  - Geometry
  - Geometry Honors
  - Algebra II Honors
  - PreCal
  - PreCal Honors
  - Calculus AP
- Students have either already received the packet from their teachers or they will receive an email with the attachment after the school year ends and placement has been determined.
- Completion of the packet will result in a replacement quiz grade or an extra quiz grade (student choice).

## Science

- Chemistry AP
  - Returning students have received their packet.
  - New students should email [Mrs. Grimm](#) to request the packet if registering for this class.
